PAPERWORK/PRIV	ACY ACT	NOTICE		
The information requested on this form is authorized by Section 223 and Section 1632 of the Social Security Act. The information provided will be used in making a decision on your claim. While completion of this form is voluntary, failure to provide all or part of the requested information could prevent an accurate and timely decision on your claim and could result in the loss of benefits. Information you furnish on this form may be disclosed by the Social Security Administration to another person or governmental agency only with respect to Social Security programs and to comply with Federal law requiring the exchange of information between Social Security and another agency. We may also use the information you give us when we match records by computer. Matching programs compare our records with those of other Federal, State or local government agencies. Many agencies may use matching programs to find or prove that a person qualifies for benefits paid by the Federal government. The law allows us to do this even if you do not agree to it. Explanations about these and other reasons why information you provide us may be used or given out are available in Social Security Office.
